rdinary Breath

For profound energetic, emotional and  
spiritual development, Rubbo Art of Energy  
retreats offer a respite from the stress and  
strain of daily living.

Immerse yourself in nature for three  
blissful days, in a state of limitless  
potential and ultimate rejuvenation.

Friday, Saturday  
and Sunday  
10 am to 5 pm  
\$375.00

“Donald's and Cheryl Lynne's work is profoundly  
transformative - it will seed insights that will sometimes  
fall into place as fast as the here and now, and sometimes  
will sprout at times of great need, according to one's own  
rhythm and pace. **HIGHLY RECOMMENDED!**”
